Agilisys

Working for both the public and private sector, Agilisys is one of the UK's most innovative and fast growing IT and business software and services providers. They help clients to transform their businesses through a suite of citizen-centric technology products as well as centres of delivery excellence around the UK.

CMFG work with Agilisys to plan and deliver go-to-market plans for new products and solutions and deliver a range of lead generation programmes across multiple sectors.
